Extension in the United States

## A National Workshop in Madison, WI

(Followed by an optional tour of the Forest Products Lab)

Dear Wood Products Extension Specialist,

We would like to invite you to a national meeting of wood and forest products Extension specialists from the land grant universities in the US. This will be the first national meeting of these individuals in several years. We are also inviting our state and federal partners to join us for all or part of the meeting.

Participants will be asked to complete a short questionnaire on their programs, opportunities and challenges in their states in advance of the meeting.

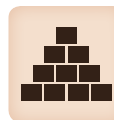

**MEAL PACKET COST: \$100**

PAYABLE BY CHECK OR CREDIT CARD.

### 3 CORE MEETING OBJECTIVES:

1. Share programming information and discuss opportunities for collaboration among participants;

2. Build stronger partnerships with our state and federal agencies; and

3. Take a critical look at the **future of our Extension wood products profession** and what must be done to remain vital in the changing landscape of natural resource education.
